

Babolat OLTA League 2015

One year on from our re-location and we have hit the ground running, after the Winter League successes, the summer has also ended on a high note.

Both Mixed teams have won their divisions, the A Team captained by Steve Pugh, taking over from the injured Julianne, have been promoted for the 3rd year running and the B Team captained by Christine Noke have won their division at the first attempt.

The Ladies and Men's A Teams have also gained promotion. Men's A are progressing nicely up the ladder and are now up against some of the best teams in the county and the Ladies A have now earned the right to play in the top division next year.

The Mens B team ended up mid table, but the Ladies B struggled with injuries and team changes and will play in a lower division next year.

A third ladies team, captained by Mary Mountford-Lister, played in the league this summer and had some successes giving extra players the chance to play team tennis.

Many thanks to the captains, Matt, Mark Mobey, Susanna, Nicola & Mary, for all their hard work and commitment.

Anne Sawyer
Match Secretary
