

Thames Valley Winter League 2014-2015

5 teams played through the winter in the Babolat Thames Valley league and the stars turned out to be the Mens A team, captained by Matt Williams, they won 9 of their 11 games to top Division 2 and will be promoted to Div 1 with the hope of repeating their winning form next winter and going up again into the Premier League.

The Mens B also did well finishing in their highest ever league position.

The 3 ladies teams had mixed fortunes, the Ladies A team did well to finish 4th and will stay in Division 2. The previous winter the B team joined the A's in Division 2, but were badly hit by injuries and returned to Division 3 for this winter.

The C team finished in their highest ever league position, coming 3rd in Division 6, narrowly missing promotion; they will be joined by an extra team for the coming winter.

Many thanks to Matt, Mark Mobey, Susanna, Kate and Sam for running the teams and giving players the opportunity to play competitive tennis during the winter.
